Corporate  
Presentation

## About Us

Born and raised in Dubai, Khalid is of Indian descent. Despite holding a degree in finance and marketing, his true passion has always been crafting fragrances. After dedicating significant time to the industry, in 2020, he set out to make his mark in the world of perfumery with his own independent venture.

This venture is a carefully curated blend of his creative vision and the expertise of world-renowned perfumers.

## Luxury + Affordability

At RAYHAAN, our mission is to craft exceptional perfumes using the finest ingredients available. Collaborating with some of the industry's most talented noses, we are committed to delivering nothing but the best. We believe that luxury should be accessible to everyone, and each bottle of our perfume embodies this philosophy.

Our brand name is adorned with a unique design, crafted exclusively for RAYHAAN by a local calligraphy artist. This modern and abstract art piece beautifully merges tradition with contemporary style, reflecting our Middle Eastern heritage while appealing to the future. We aim to create fragrances that honor our roots and resonate with everyone
