SINCE 1974

## OUR STORY

Carrying a legacy rooted in a blend of Western & Oriental craftsmanship, Swiss Arabian is a brand founded on duality that proudly celebrates the space in which two seemingly opposed worlds come together.

Born from precious beginnings and built on achievements aplenty, our chapters are drawn from the drama and grandeur of the East and inspired by the power and dynamism of the West.

## OUR VISION

We build fragrances with extraordinary signatures, in their power and perfection, as we develop them with expertise and skills.

## OUR MISSION

We craft perfumes by blending exceptional characters from the East and West.
